Phase 3, which makes COVID-19 vaccines available to all Missouri residents, is now open.

[The Missouri Department of Health and Senior Services](#) is committed to providing a free COVID-19 vaccination experience to all Missourians, including those without insurance. No person can be billed for the COVID-19 vaccine. Vaccination providers may charge an administration fee to insurance, Medicaid or Medicare, if applicable in your situation. Uninsured Missourians will be able to receive the vaccination regardless of their health insurance status.

REGISTER

Patients must register through Missouri's Vaccine Navigator program to be vaccinated through SGCHD/JVCHC. Once you are registered, Vaccine Navigator will generate an 8-10 digit Patient ID. This ID will be needed to schedule your appointment. If you do not remember your Patient ID, call 877-435-8411.

SCHEDULE

Schedule an appointment at the Springfield-Greene County Health Department or Jordan Valley Community Health Center vaccine clinics. Please allow one hour for your appointment. Due to the demand for vaccine, it is important that you make your scheduled appointment a priority. Rescheduling may not be available in a timely manner.

COME TO VACCINE EVENT

Please bring identification and your patient ID number (from Vaccine Navigator) to your appointment.

If you do not remember your Patient ID, call 877-435-8411.

Please note: you will not be charged anything out of pocket for your vaccine.

Please keep in mind that appointments fill quickly—if an appointment is not currently available for you, we recommend also signing up through other vaccine providers in our community:
